

# '10 Garden Railway Tours - May thru July

The Central New York Large-Scale Railway Society invites you to visit their varied garden railways throughout this summer and early fall. We have spaced them throughout the season for your convenience. Garden railroading is a combination of gardening and model railroading. One may find model railroads operating in a shade garden, a miniature village, small layouts and large, a night operation...no two layouts are the same! For your convenience, you can obtain directions to each site by going to [www.mapquest.com](http://www.mapquest.com). For further information, we have included the host's phone number.

**A few courtesies..** please don't block your host's or their neighbor's drive-ways, no pets, keep children under control, observe the open dates and times, and don't ask to use your host's bathroom. For those taking photos or videos, please do not obstruct their subject. Of course, Rule #1 is to have fun! Visit our web site at: [www.cnylrs.com](http://www.cnylrs.com)

## Sunday, May 16, 11:00 AM to 4:00 PM

Mr. & Mrs. Mark Dashnaw, 7700 Myers Road, Kirkville, NY 13082 (424-8464)
